Join The Team!

Raise Funds. Raise Awareness. Raise A Ruckus!

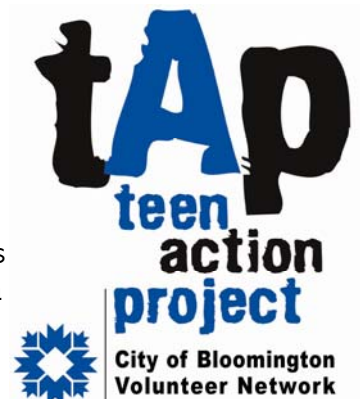

We are the youth of Bloomington and we can make a difference in the fight against homelessness and poverty. We welcome you, your friends, your groups, your teams, and any young people you know, to join with us in our efforts to make a difference.

The Mission of the B-Town Youth Brigade:

We have set our sights on making a difference in the fight against poverty. Our goal is to raise \$4500 as a team to go towards the cause. We are also determined to let the community know that young people have the vision, the voice, and the manpower to create change. Our goal is to have 125 team members age 18 or younger who feel the same way. Together we can!

How does your participation help?

Funds raised from the Homeward Bound Walk go towards supporting the efforts of 14 local agencies whose work is to combat the issues of homelessness in our community. Dollars you raise will make a difference to the services that these agencies can provide and walking in the event will help build awareness in our community. Youth have the power to make change!
